

Sewage Disposal in Southwest Kosovo, Phase IV (Peja)

Invitation for Expression of Interest

for

Support in Improving the Capacities of the RWCR

(Accompanying Measures Consultant)

Title: Sewage Disposal in Southwest Kosovo, Phase IV (Peja, Kosovo), Consulting Services (Prequalification)

Deadline: June 10th 2016

Text: In the frame of the German Financial Cooperation with Kosovo the construction of a wastewater treatment plant (WWTP) for parts of Peja City, rehabilitation and new construction of the wastewater collection network and transport pipes shall be financed. Requested Consulting Services comprise accompanying measures to be carried in parallel to the above mentioned construction measures. Services will consider institutional strengthening comprising capacity building, corporate development, public relations, support in operation and maintenance (Accompanying Measures Consultancy).
